Susanne Fischer together with four other female journalists moved to Iraq to establish the unthinkable - a free press in Iraq. In her book Susanne Fischer reveals the life and experience of being a foreign female journalist in northern Iraq thus stirring up emotions in patriarchal Kurdistan. Susanne Fischer's voice is an engaging one, and her story a valuable contribution to our understanding of the situation in Iraq. Her story is also helpful in understanding Kurdistan. Her book is well-written, full of stories and full of insights.
